

## TABLEAU CORPORATE CONTRIBUTOR LICENSE AGREEMENT

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Project. Except for the licenses granted herein to Tableau and recipients of software distributed by Tableau, You reserve all right, title, and interest in and to Your Contributions.

### 1. Definitions.

**"You"** (or **"Your"**) shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Grant to Tableau. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

**"Contribution"** shall mean the code, documentation or other original works of authorship expressly identified in Schedule B, as well as any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to Tableau for inclusion in, or documentation of, any of the products managed or maintained by Tableau (the **"Work"**). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Tableau or their representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Tableau for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. **Grant of Copyright License.** Subject to the terms and conditions of this Grant, You hereby grant to Tableau and to recipients of software distributed by Tableau a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works in source code, object code or any other form and on any media.
3. **Grant of Patent License.** Subject to the terms and conditions of this Grant, You hereby grant to Tableau and to recipients of software distributed by Tableau a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contributions alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Grant for that Contribution or Work shall terminate as of the date such litigation is filed.
4. **Representations.** You represent that You are legally entitled to grant the above licenses. You represent further that each employee of the Corporation designated on Schedule A below (or in a subsequent written modification to that Schedule) is authorized to submit Contributions on behalf of the Corporation.
5. **Originality of Work.** You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are aware and which are associated with any part of Your Contributions.

6. **Support and Warranties.** You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING, YOU PROVIDE YOUR CONTRIBUTIONS ON AN "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.
7. **Submissions for 3<sup>rd</sup> Parties.** Should You wish to submit work that is not Your original creation, You may submit it to Tableau separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
8. **Notice to Tableau.** It is your responsibility to notify Tableau when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation's Point of Contact with the Project. You agree to notify Tableau of any facts or circumstances of which You become aware that would make these representations inaccurate in any respect.
